

Fire distinguishes to ashes  
Paint becomes words  
Wanting the truth  
Grasping for hope

Dark edges hold the forever  
Light lines become what was  
Hoping, Can we?  
Feeling, Did they?

Fine lines distinguish a generation  
Bright colors describe a moment  
Searching, Why not?  
Questioning, If only?

## Truth Sayers

Looking within to see the past  
Searching the distance,  
daring to understand  
Wondering, What if?  
Thinking, How?
